Degree-Granting Programs

Name of Department: Geography

Complete a separate template for every degree & certificate.

There are two PSLOs being used. 1) Upon completion of the AA-T in Geography, students are able to assemble and analyze spatial information (maps, data, surveys, qualitative observations, etc) using traditional and modern mapping technology methods. This PSLO will be termed "Spatial1" for the boxes below.
2) Upon completion of the AA-T in Geography, students are able to demonstrate knowledge of global physical and environmental processes, locations and develop an appreciation of landscapes. This PSLO will be termed "Spatail2" for the boxes below.

The PSLOs will be evaluated Fall 2022
