

Need Coverage?

Does your college identify with one of these situations?

- Uninsured Domestic and International Students
- Part time, seasonal or temporary employee
- Early retiree
- COBRA participant
- Have a family member or friend without access to employer-sponsored benefits
- Know an individual reaching age 26 who is no longer eligible under their parent's plan

Allow us to help with the enrollment process and not burden your Student Health Centers, Admissions & Records, Athletic Training rooms and Human Resource staff with insurance questions.
