Announcements

Wellness Coaching

Individual Well Coaching

-Wellness Coaching is a one-on-one collaborative conversation where a certified or interning coach   will partner with you to help you achieve personal physical and mental well-being goals relating to your overall health.

-The conversation is determined by the goals of the individual and can include a variety of health-related topics, including exercise, nutrition, sleep, stress, life satisfaction, healthy behaviors that can lead to weight management, and many others.

For more information, please visit the Student Health Center
