

Facilities and Sustainability Committee

College Council Approved May 21, 2020

Charge:

To elicit broad perspectives and advice regarding facility and sustainability needs of the College in order to serve the constituency groups and college by:

- Providing input and reviewing plans for utilization, maintenance, construction or renovation of facilities in concert with the District and the District Facilities Committee;
- Encouraging progress towards more sustainable use of energy, water, open space and other resources by promoting reduced consumption, reuse, recycling, and composting of these resources;
- Providing input, reviewing, and encouraging transportation and campus access strategies that encourage use of public transportation, ride-sharing, bicycle, and pedestrian access.

The Committee will provide an advisory linkage to the President through College Council on all matters pertaining to Facilities and Sustainability in the implementation of Strategic Goals, the College President's Climate Commitment, the Climate Action Plan, the Educational Master Plan, the Facilities Master Plan, the Scheduled Maintenance Plan, and Ad Hoc Facilities and Sustainability Projects as needed.

The Facilities and Sustainability Committee meeting provides a forum to discuss physical projects on campus and provide input.

The committee will maintain an informational website concerning sustainability:
