

Las Positas College Student Government (LPCSG) Cure and Correct Form

This letter is to call your attention to what I believe was a substantial violation of a central provision of the Ralph M. Brown Act, one which may jeopardize the finality of the action taken by Las Positas College Student Government (LPCSG).

The nature of the violation is as follows:

In its meeting of (date) _____, the (name of the legislative body) _____ took action to (describe the action taken, specifying the proposal and in what fashion it was acted upon, i.e., by either a formal vote, an “approval in concept,” or some other reflection of a consensus that the body would act or not act in a certain manner in the future) _____

_____.

Pursuant to that provision (Government Code Section 54960.1), I request that the (name of the legislative body or a person) _____ cure and correct the taken action(s) as follows: (specify whatever corrective action you believe necessary to redress the illegality and provide the public the awareness and opportunity to comment of which it was deprived) _____

_____.

As provided by Section 54960.1, you have 30 days from the receipt of this request to either cure or correct the challenged action or inform me of your decision not to do so. If you fail to cure or correct as requested, such inaction may leave me no recourse but to seek further review by the Vice President of Student Services.
