

STUDENT LEARNING OUTCOMES COMMITTEE

Minutes

September 25, 2023 | 2:30 PM | Room 21147 + Zoom for Guests

[This meeting is in-person in Room 21147.](#)

LPC Mission Statement

Las Positas College is an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting lifelong learning.

LPC Planning Priorities

- ❖ Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.
- ❖ Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across the campus.

- Karin Spirn/Jen Decker – Approved

Public Comment

Please limit comments to three minutes. In accordance with the Brown Act, the SLO Committee cannot discuss or act on items not on the agenda.

Reports

Chair's Report

John Rosen

- John shared a recap of *Friday SLO Talks* from 9/22 – The talk included how to use AI (Chat GPT) in the SLO process, writing SLOs, aligning SLOs, assessment of SLOs, analyzing SLO data. The main takeaway was that Chat GPT brings standardization to SLOs across colleges, disciplines etc.

Tom Orf

- No Report

CSLO Reviews

New CSLOs

NCIS 211 (Google Career Certificates)

- Upon completion of NCIS 211, the student should be able to assess their readiness/ability/skills for IT careers.
- Upon completion of NCIS 211, the student should be able to plan for a job interview.
- Upon completion of NCIS 211, the student should be able to clearly identify and articulate their career goals.
- Upon completion of NCIS 211, the student should be able to identify major IT related Google Career Certificates.

Debbie Fields presenting –

Background: Google has created IT related Google Career Certificates. Debbie created a noncredit class for students to be able to explore IT career options and not have to pay tuition or buy textbooks, and ultimately find a specific pathway in IT they want to pursue.

NCIS 211 (Google Career Certificates) Continued

- *Revisions: Remove C, Keep A, B, D*

A - Upon completion of NCIS 211, the student should be able to assess their skills and interests for IT careers.

B - Upon completion of NCIS 211, the student should be able to prepare for a job interview.

D - Upon completion of NCIS 211, the student should be able to identify major IT related Google Career Certificates.

PSLO Reviews**New PSLOs****Help Desk Specialist, Certificate of Completion**

- Upon completion of the Certificate of Help Desk Specialist, students will be introduced to the Google IT Support Professional certificate and will be prepared to take the CompTIA A+ and Network+ certification tests.

Jeff Weichert presenting –

Background: Started this is CurricUNET 2-3 years ago with the idea to open up courses to students who don't want to pay tuition, so we created this short-term noncredit program and took 3 of the credit courses, mirrored them, and made them noncredit for this program.

Revision: Committee recommended separating into two PSLOs

- Upon completion of the Help Desk Specialist certificate of completion students will be prepared to take the CompTIA A+ and Network+ certification tests.
- Upon completion of Help Desk Specialist certificate of completion students will be prepared to identify a major IT related Google Career Certificate.

Discussion Items**• CurriQunet META Implementation**

- John shared notes from kickoff meeting including the 6-phase process of transitioning to META.
- On 10/2 we will get access to the sandbox, and we can play around with this and come up with questions.
- SLOs and Curriculum will be separate processes.
